

Decision 84 06 049

JUN 6 1984

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Name: Wendell W. & M. Carol West  
 DBA WILD WEST LINES for authority  
 to operate as a passenger stage  
 corporation to provide home-to-  
 work service between Redlands  
 and Daggett in San Bernardino  
 County (subject to 14-day protest  
 period from initial filing date).

Application 84-04-060  
 (Filed April 12, 1984)

O P I N I O N

Wendell Wayne West and Marjorie Carol West (applicants), doing business as Wild West Lines, propose to provide home-to-work service between Redlands, San Bernardino, and Devore, on the one hand, and Daggett, on the other hand.

Applicants propose to provide the service using a 39-passenger 1959 GMC FD 4104 bus and a 47-passenger 1970 MC7 bus, which they own.

Applicants' financial statement is attached to the application and shows assets of \$283,000 and liabilities of \$121,000 as of April 8, 1984.

Applicants' proposed fare is \$50 per person per week for a round trip of approximately 170 miles, Monday through Friday.

The application was listed in the Commission's Daily Calendar of April 17, 1984. The Commission's Transportation Division staff has reviewed the application and recommends that in the absence of protest or request for public hearing, it be granted by ex parte order. No protest has been received.

Findings of Fact

1. Home-to-work commuter buses plan an important role in providing needed public transportation services and help to relieve an energy shortage.

2. New home-to-work services, such as proposed by applicants, should receive expedited approval.

3. On the basis of the information contained in the application, public convenience and necessity require that the proposed service be authorized for a period of one year, subject to the conditions more specifically set forth in the following order.

4. This order should be effective on the date of issuance so that the needed new service may be established as soon as possible.

5. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

6. A public hearing is not necessary.

Conclusion of Law

The application should be granted as set forth in the following order.

O R D E R

IT IS ORDERED that:

1. A certificate of public convenience and necessity is granted to Wendell Wayne West and Marjorie Carol West, authorizing them to operate as a passenger stage corporation as defined in Public Utilities (PU) Code Section 226 between the points and over the routes as set forth in Appendix PSC-1263 of this decision, for the transportation of passengers and their baggage only.

2. Applicants shall:

- a. File a written acceptance of this certificate within 30 days after this order is effective.
- b. Establish the authorized service and file tariffs and timetables within 120 days after this order is effective.
- c. State in their tariffs and timetables when the service will start; allow at least 10 days' notice to the Commission; and make timetables and tariffs effective 10 or more days after this order is effective.
- d. Comply with General Orders Series 79, 98, 101, and 104, and the California Highway Patrol safety rules.
- e. Maintain accounting records in conformity with the Uniform System of Accounts.

3. The authority granted by this order shall remain in effect for a period of one year from the effective date of this order or until modified by order of this Commission.

4. Applicants are placed on notice that if they accept this expedited authorization, they waive their rights to invoke the protective provisions of PU Code Section 1032 as related to applications of other parties for similar authority for the period this authorization is in effect.

5. Applicants are authorized to begin operations on the date that the Executive Director mails a notice to the applicants that they have evidence of insurance on file with the Commission and that the California Highway Patrol has approved the use of applicants' vehicles for service.

- 6. The fares proposed in this application are authorized.
- 7. The application is granted as set forth above.

This order is effective today.
