O P I N I O N

Western Motor Tariff Bureau, Inc., Agent, (WMTB) on behalf of California Motor Express, Ltd., California Motor Transport Co. and Delta Lines, Inc. (Delta Group) in this application requests temporary surcharge increases to be effective July 13, 1984 and to expire August 27, 1984 for the Olympic Games. The surcharge increases, in various WMTB tariffs, are to apply only on shipments moving from, to and between points in Metropolitan Zones 201 through 262.

WMTB Application (A.) 84-04-093 filed April 18, 1984, requests the Commission to grant the same authority to various participating carriers in WMTB tariffs. The Delta Group is also included in A.84-04-093. Hearings were held in A.84-04-093 before Administrative Law Judge O'Leary on May 22 and 23, 1984, in Los Angeles. The matter is under submission.

SPT A.84-05-038

The Commission is of the opinion that A.84-05-038 is an unnecessary filing by the Delta Group as it is party to A.84-04-093.

Findings of Fact

1. The Delta Group is a participant in A.84-04-093.
2. The evidence presented at the hearings in connection with A.84-04-093 will govern the disposition of these surcharge increases.
3. A.84-05-038 is a duplication and unnecessary filing on the part of the Delta Group.

Conclusion of Law

The application should be denied.
