ORDER OF DISMISSAL

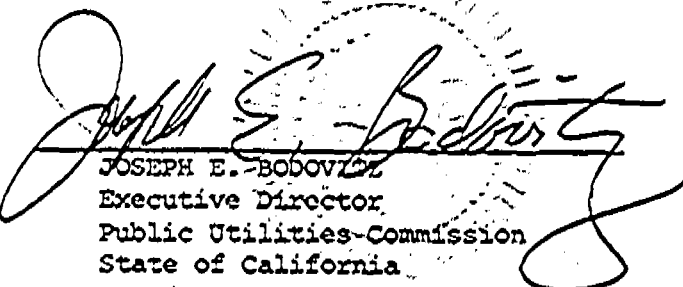

By letter, the applicant has informed us that he inadvertently filed an application for the wrong type of authority, and he now requests the dismissal of this application requesting a dump truck carrier permit. It was his intention instead to file for a highway contract carrier permit, which does not require a formal application.

Therefore, under Section 308 of the Public Utilities Code and Resolution A-4638,

IT IS ORDERED that Application 84-05-015 is dismissed.

This order is effective today.

Dated JUL 18 1984, at San Francisco, California.
