ORDER OF DISMISSAL

Westcoast Motor Tariff Bureau, Inc. (WCMTB), on behalf of Air Fresh Trucking, Inc. (Air Fresh), has made application for Air Fresh to cancel its adoption of the Commission's transition tariffs and establish its participation in the tariffs published by WCMTB.

The Commission's records indicate that Air Fresh holds a highway contract carrier permit under file T-88,850; however, Air Fresh has never been issued a certificate to operate as a highway common carrier and no tariffs have been filed on its behalf. Therefore, this application is moot.

Finding of Fact

This application should not have been filed since Air Fresh does not have a certificate or tariffs on file with the Commission.

Conclusion of Law

The application should be dismissed without prejudice.
