 (Filed August 3, 1983)

ORDER MODIFYING DECISION 84-06-159
AND DENYING REHEARING

A petition for rehearing of D.84-06-159 has been filed by Lohrman Trucking Company. We have considered all of the allegations raised in the petition and are of the opinion that good cause for granting rehearing has not been shown. However, D.84-06-159 should be modified to provide that K-West shall pay to respondent subhaulers the underpayments at issue following collection of the undercharges from K-West. Therefore,

IT IS HEREBY ORDERED that Decision 84-06-159 is modified as follows:

Ordering Paragraph No. 2 is modified to state:

"2. Lohrman shall collect the undercharges of \$6,262.97 found by this decision from K-West Engineering and Trading, Inc. (K-West) and pay the Commission a fine in the amount of \$313.15 (5% of the total undercharges), as authorized by PU Code \$3800. The undercharges shall be paid within 10 days after collection and the fine shall be paid within 60 days after the effective date of this order."

Ordering Paragraph No. 7 is modified to state:

"7. Within 10 days after the collections ordered by Paragraph No. 2 have been made, Lohrman shall remit to respondent subhaulers the differences between charges already paid to them for hauling covered by this OII, and the charges applicable under the provisions of MRT 7-A."

IT IS FURTHER ORDERED that rehearing of D.84-06-159, as modified herein, is denied.

This order is effective today.

Dated SEP 6 1984, at San Francisco, California.
