Application 84-04-014  
(Filed April 2, 1984;  
amended July 20, 1984  
and August 13, 1984)

O P I N I O N

W. C. Hargis and Nancy D. Hargis, a partnership, doing business as Dub's Welding & Fabrication, seek a certificate of public convenience and necessity to operate as a highway common carrier of general commodities, between all points in the State of California. Applicants are not presently licensed by the Commission.

The application contains sufficient documentation of shipper support to meet the standard of Resolution 18191.

Notice of the original application appeared in our Daily Transportation Calendar on April 6, 1984. The amendments were published on July 25, 1984 and August 17, 1984, respectively. No protests have been received.

Findings of Fact

1. Applicants possess satisfactory fitness and financial responsibility to conduct the proposed transportation services.
2. Public convenience and necessity require the service proposed by applicants.
3. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
4. The following order has no reasonably foreseeable impact upon the energy efficiency of highway carriers.
5. A public hearing is not necessary.

Conclusion of Law

The application should be granted.

Only the amount paid to the State for operative rights may be used in rate fixing. The State may grant any number of rights and may cancel or modify the monopoly feature of these rights at any time.

O R D E R

IT IS ORDERED that:

1. A certificate of public convenience and necessity is granted to W. C. Hargis and Nancy D. Hargis, a partnership, authorizing them to operate as a highway common carrier, as defined in PU Code § 213, between the points listed in Appendix A.
2. Applicants shall:
  - a. File a written acceptance of this certificate within 30 days after this order is effective.
  - b. Establish the authorized service and file tariffs within 120 days after this order is effective.
  - c. State in their tariffs when service will start; allow at least 10 days' notice to the Commission; and make tariffs effective 10 or more days after this order is effective.
  - d. Comply with General Orders Series 80, 100, 123, and 147, and the California Highway Patrol safety rules.
  - e. Maintain accounting records in conformity with the Uniform System of Accounts.
  - f. Comply with General Order Series 84 (collect-on-delivery shipments). If applicants elect not to transport collect-on-delivery shipments, they shall file the tariff provisions required by that General Order.

- g. Comply with General Order Series 102 and 130. If applicants elect to engage subhaulers, applicants shall have the required bond on file, and applicants shall engage only highway carriers who hold appropriate operating authority granted by this Commission.
3. The application is granted as set forth above.  
This order becomes effective 30 days from today.  
Dated OCT 17 1984, at San Francisco, California.
