(Filed September 25, 1984)

O P I N I O N

Stirling Bluffs Corporation, a California corporation, and Pacific Gas and Electric Company jointly request an extension of time from December 31, 1984 to June 30, 1985 within which to comply with Decision (D.) 82-11-021 dated November 3, 1982 involving the sale and transfer of water rights.

The application states that early winter rains may delay the construction contemplated by D.82-11-021 as prerequisite to the water rights transfers.

This application appeared on the Commission's Daily Calendar of September 26, 1984, and no protests have been received. A public hearing is not required.

Findings of Fact

1. Good cause for the requested extension of time has been shown.

2. This order should be effective before December 31, 1984.

Conclusion of Law

The requested extension of time should be granted to be effective immediately.
