ORDER CORRECTING DECISION 87-10-036

Inadvertently, in Decision (D.) 87-10-036, the Commission did not assign a user fee number applicable to Fresno Cellular Telephone Company's (applicant) operations as a cellular mobile telecommunications system operator. This decision corrects that omission by assigning user fee number U-3014-C for those operations. Applicant should refile¹ its tariffs using U-3014-C in its Advice Letter No. 1. The user fees applicable to applicant's cellular system operations commence with the onset of such service.

Finding of Fact

D.87-10-036 did not assign a user fee number to reflect applicant's status as a cellular system operator.

Conclusions of Law

1. All user fees applicable to applicant's cellular system operations should be filed under user fee number U-3014-C.

¹ The tariffs were filed with an advice letter under user fee number U-4040-C.

2. Within 10 days after the effective date of this order, applicant should refile its tariffs to reflect its cellular system operator status using user number U-3014-C in Advice Letter No. 1. The filing should be made effective on the date of filing.

IT IS ORDERED that:

1. Fresno Cellular Telephone Company (applicant) shall remit user fees applicable to its cellular mobile telecommunications operations under user number U-3014-C.

2. Within 10 days after the effective date of this order, applicant shall refile its tariffs to reflect its cellular system operator status using user number U-3014-C in Advice Letter No. 1. The filing shall be effective on the date of filing.

3. D.87-10-036 is corrected as set forth above.

This order is effective today.

Dated NOV 13 1987, at San Francisco, California.
