ORDER OF DISMISSAL

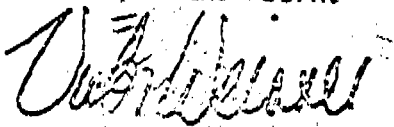

By Interim Order in Decision 86-09-023, effective October 4, 1986, we ordered the processing of this application held in abeyance until the County of Los Angeles complied with the procedures of CEQA and CEQA guidelines respecting the subject project. The County was given 120 days to so comply but has not done so within such required time. By letter dated September 21, 1987, the Administrative Law Judge to which this case is assigned sent the attorney representing the County a letter stating that unless the County, within 30 days, declares its intention in writing to comply and moves for an extension of time in which to comply supported by good cause therefore, it would be recommended to the Commission that the case be dismissed. No communication has been received from the County; therefore,

IT IS ORDERED that Application 86-01-017 is dismissed.
This order becomes effective 30 days from today.
