DECISION GRANTING PARTIAL STAY OF  
DECISION (D.) 87-12-038

A petition for rehearing of D.87-12-038 has been filed by Omniphone, Inc. We are currently considering the merits of this petition. In the interim, we are of the opinion that D.87-12-038 should be partially stayed. The partial stay applies only to the option to business customers to block access to 976 IAS.

Pacific Bell also requested an extension of time, pursuant to Rule 43 of Commission's Rules of Practice and Procedure, to comply with the portions of D.87-12-038 pertaining to the provision of a 976 blocking service for business subscribers. The Executive Director approved such request on January 8, 1988, and granted an extension of time until April 1, 1988, with an effective date of May 1, 1988, or until such time as the Commission decides these issues through further hearings. We now wish to ratify that extension of time.

THEREFORE, IT IS HEREBY ORDERED,

1) D.87-12-038 is partially stayed until further order of the Commission, insofar as it applies to the blocking of 976 IAS calls by business and commercial customers.

2) The provisions of D.87-12-038 which do not apply to the blocking of 976 IAS calls by business and commercial customers shall remain in effect.

3) The action of the Executive Director on January 8, 1988 granting to Pacific Bell an extension of time to comply with the portions of D.87-12-038 which pertain to the provision of a 976 blocking service for business subscribers is hereby ratified.

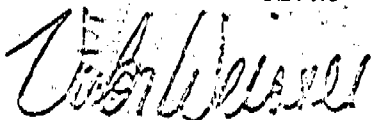

This order is effective today.

Dated JAN 19 1988 at San Francisco, California.
