ORDER EXTENDING STAY OF DECISION 87-12-071

SOUTHERN CALIFORNIA GAS COMPANY (SoCal) has filed an application for rehearing of Decision (D.) 87-12-071, and SAN DIEGO GAS AND ELECTRIC COMPANY (SDG&E) has filed a response in support of that application. Because SoCal's application was filed ten days or more before the effective date of D.87-12-071, the ordering paragraphs of that decision were suspended under § 1733 of the Public Utilities Code. We are in the process of considering the allegations of error in the application and in the response; however, the issue presented is an important one and we find that we need additional time to consider the matter. Meanwhile, we consider that fundamental fairness to SoCal requires that the suspension of D.87-12-071 be extended.

Therefore,

IT IS ORDERED THAT: The suspension of Ordering Paragraphs 1 and 2 of D.87-12-071 is hereby extended for sixty days after the effective date of this order, or until we have issued an order granting or denying the application for rehearing, whichever comes first.

A.86-09-030

L/CAD/bjk

This order is effective today.
