ORDER CORRECTING CLERICAL ERROR

It has come to the Commission's attention that Decision 88-03-026, designated as the Fourth Interim Opinion in this proceeding by the proposed decision but renumbered as the Third Interim Opinion when approved by the Commission, must be corrected so that the decision is internally consistent with this renumbering. Therefore, pursuant to Resolution A-4661,

IT IS ORDERED that Decision 88-03-026, mimeo., is modified to read as follows:

1. In the second sentence of the first full paragraph on page 3, the phrase "the next decision" is corrected to read "a later decision".

2. Footnote 5 on page 8 is modified to read as follows:

5 CSC claims that our interim opinion on capacity valuation in this proceeding postponed the update of Edison's variable capacity prices to Edison's 1989 ECAC. CSC misreads that opinion, which contains nothing inconsistent with today's decision. We stress again our intention to update variable energy and capacity payments to QFs once each calendar year, in the ECAC proceedings of the respective utilities. Cf. Section II.B of that opinion ("We will update variable capacity payments each year").

This order is effective today.

Dated MAR 23 1988, at San Francisco, California.
