ORDER CORRECTING CLERICAL ERROR

It has come to the Commission's attention that Order Instituting Rulemaking (R.) 88-04-030, proposing rules to govern the use of, and access to, computer models relied on in Commission proceedings, contains an error regarding the comment period. To accommodate publication of the proposal in the California Regulatory Notice Register, the comment period should run to June 16, 1988 (not May 16, as presently stated in the decision). Therefore, pursuant to Resolution A-4661,

IT IS ORDERED that R.88-04-030 is modified so that the comment period designated in Ordering Paragraph 2 runs to June 16, 1988.

This order is effective today.

Dated APR 18 1988, at San Francisco, California.
