OPINION

Decision (D.) 87-08-057 dated August 26, 1987 authorized Hanover Companies, Incorporated and Bakman Ranch to transfer control of Yosemite Spring Park Utility Co. (Yosemite) to Yosemite Lake Owners' Association (Association). D.87-09-073 amended D.87-08-057 to reflect the fact that the Association would continue to operate Yosemite as a public utility.

Ordering Paragraph 6 of D.87-09-073 provided that within 90 days after the actual transfer, Yosemite must file an annual report of the utility's operations from the first day of the current year through the date of transfer.

By letter dated December 18, 1987, the Association advised that the information necessary to file the required report has not been received from the utility's former owner and requests a 90-day extension in which to file the report.

Good cause appearing, the request for an extension of time to comply with Ordering Paragraph 6 of D.87-09-073 should be granted.

ORDER

IT IS ORDERED that Ordering Paragraph 6 of D.87-09-073 is amended to read:

"6. On or before July 31, 1988, Yosemite shall file, in proper form, an annual report on its operations from the first day of the current year through the date of transfer."

This order is effective today.

Dated APR 27 1988, at San Francisco, California.
