ORDER DENYING REHEARING OF DECISION (D.) 88-02-056

Application for rehearing of D. 88-02-056 was filed by Pacific, Gas and Electric Company (PG&E). PG&E in its application asserts that the Commission's policy regarding the granting of fee enhancements for exceptional results in attorney fee cases is too burdensome and vague. PG&E also complains that \$6,716.20 of the attorneys fees approved in D. 88-02-056 were unfairly allocated to PG&E. Toward Utility Rate Normalization filed a response in opposition. Southern California Gas Company filed a response which supported PG&E's claim regarding fee enhancements and opposed PG&E's claim regarding the misallocation of the \$6,716.20. We have reviewed each and every allegation in the application, and are of the opinion that sufficient grounds for granting rehearing have not been shown. Therefore,

IT IS ORDERED that rehearing of D.88-02-056 is hereby denied.

This order is effective today.
