Case 87-05-047  
(Filed May 26, 1987)

ORDER OF DISMISSAL

A prehearing conference (PHC) was held at 10:00 a.m. in San Francisco on September 9, 1987, to schedule hearings in this matter. At that time the parties, after some off-the-record discussion, stated that they had reached an agreement whereby this complaint would be resolved (PHC Tr., p. 2).

The matter was then taken off calendar with the understanding that Janet Johnson (complainant) would write to the assigned administrative law judge (ALJ) within 10 days and request the dismissal of this complaint (PHC Tr., pp. 2 and 3). No letters were received from the complainant.

Thereafter, on February 17, 1988 and again on March 23, 1988, the assigned ALJ wrote to the complainant and asked her to write within 10 days and tell him of the settlement of her dispute with Pacific Bell and to request dismissal of her complaint or, if for some reason her service had not been satisfactorily restored, to inform him what problems remain. Each letter to the complainant included a stamped preaddressed envelope to the assigned ALJ.

Approximately 90 days and 60 days, respectively, have elapsed since these two letters were mailed to the complainant and

no response has been received; therefore, this matter should be dismissed for want of prosecution.

IT IS ORDERED that Case 87-05-047 is dismissed without prejudice.

This order is effective today.

Dated June 8, 1988, at Carson, California.
