ORDER DENYING REHEARING
AND MODIFYING D. 88-06-050

Applications for rehearing of D-88-06-050 have been filed by the City of Bakersfield and the County of Kern, and by the City of Fremont.[1] We have considered all the allegations of error in the applications and are of the opinion that good cause for rehearing has not been shown. However, for textual clarification, the decision should be modified in a few respects. Therefore,

IT IS HEREBY ORDERED that:

1. The following sentence should be deleted from the first paragraph of page 12:

"The remaining seven MTDB nominations involve tracks over which both light rail and freight operations are conducted."

1 The City of West Sacramento filed a proposed response, in support of the application submitted by the City of Bakersfield and the County of Kern.

2. The following new paragraph should be inserted after the second paragraph of page 12:

"The remaining seven MTDB nominations involve tracks over which both light rail and freight operations are conducted. The Commission considers that these nominations are eligible as projects, and thus has placed them on the priority list."

3. Rehearing of D.88-06-050, as modified herein, is denied.

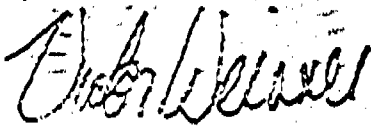

This order is effective today.

Dated AUG 24 1988, at San Francisco, California.
