SUPPLEMENTAL OPINION AND ORDER CORRECTING DECISION 88-06-053

It has come to the Commission's attention that Decision 88-06-053 is captioned as an interim opinion and order, and therefore does not clearly reflect our intent to close this proceeding. Additionally, Finding of Fact 4 incorrectly expressed our finding that applicant has the ability and is financially qualified to operate the service. Finally, Ordering Paragraph 3 inadvertently referred to a required contingency plan, but no such plan was required by the order. The order should be corrected to clearly express the intent of the Commission. Accordingly,

IT IS ORDERED that:

1. Decision (D.) 88-06-053 is final and this proceeding is closed. The word "interim" is stricken where it appears on page 1 and on page 7 of that decision.

2. Finding of Fact 4 of D.88-06-053 is deleted and replaced with the following Finding of Fact 4:

"Applicant has the ability and the financial resources necessary to perform the proposed service."

3. Ordering Paragraph 3 of D.88-06-053 is deleted and replaced with the following Ordering Paragraph 3:

"Applicant is authorized to begin operations on the date that the Executive Director mails a notice to applicant that it has evidence of insurance on file with the Commission and that the California Highway Patrol has approved the use of applicant's vehicles for service."

This order is effective today.

Dated SEP 28 1988, at San Francisco, California.
