ORDER CORRECTING CLERICAL ERRORS

The Commission has been informed of clerical errors in Decision (D.) 88-09-031.

Under Resolution A-4661,  
IT IS ORDERED that:

1. The errors on page 9 of Appendix D are corrected as follows:

The base rates for real time pricing schedules RTP and RTP-2 should be \$.04511 (vs. \$.04523) and \$.03999 (vs. \$.04011), respectively. This reflects the exclusion of CPUC reimbursement fees of \$.00012 which is included in the nonECAC offset which is not shown.

2. The winter mid-peak Incremental Energy Rate listed on page 72 of D.88-09-031 is corrected to read 11,371.

3. Attached is Appendix D which substitutes entirely for original Appendix D in D.88-09-031.

This order is effective today.

Dated SEP 28 1988, at San Francisco, California.
