ORDER CORRECTING CLERICAL ERROR

The Commission, in reviewing Appendix A of Decision (D.) 88-09-060, has discovered that the amendment to Rule 84 of the Rules of Practice and Procedure was inadvertently omitted. That amendment, together with new Rules 51 to 51.10, was duly proposed in D.88-04-059 and published in the California Regulatory Notice Register. The amendment was unopposed and was adopted without comment in D.88-09-060. However, Appendix A includes only new Rules 51 to 51.10; it should also have included amended Rule 84. Therefore, under Resolution A-4661,

IT IS ORDERED that Appendix A of D.88-09-060 is modified by inclusion of the following adopted amendment to Rule 84 of the Commission's Rules of Practice and Procedure:

84 (Rule 84) Petition to Set Aside Submission.

After conclusion of hearings, but before issuance of a decision, a party to the proceeding may serve on all other parties, and file with the Commission, a petition to set aside submission and reopen the proceeding for the taking of additional evidence, or for consideration of a settlement or stipulation under Article 13.5. Such petition shall specify the facts claimed to constitute grounds in justification thereof, including material changes of fact or of law alleged to have occurred since the conclusion of the hearing.

It shall contain a brief statement of proposed additional evidence, and explain why such evidence was not previously adduced.

This order is effective today.

Dated OCT 06 1988, at San Francisco, California.
