Case 88-05-020
(Filed May 12, 1988)

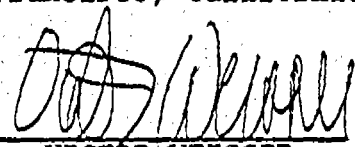

ORDER OF DISMISSAL

This expedited proceeding was heard on September 14, 1988 in the Commission's Courtroom in Los Angeles. Upon completion of their presentations the parties agreed to review complainant Nelson's billing records item by item, with Pacific Bell's representative, Ms. McGreevy, providing an explanation of each item. At the conclusion of that review, the parties requested that the matter be left open for possible resolution after Mr. Nelson checked records which he did not have with him. The Administrative Law Judge (ALJ) granted the parties two weeks in which to reach such resolution.

Within the week the parties presented the ALJ with a Request for Dismissal of Complaint. Pursuant to that written request, signed by both parties, there is no need to address the merits of this complaint.

Therefore, IT IS ORDERED that pursuant to the written request of both parties Case 88-05-020 is dismissed under Public Utilities Code § 308 and Resolution A-4638, effective today.

Dated OCT 21 1988, at San Francisco, California.
