ORDER DENYING REHEARING OF RESOLUTION G-2819

Petitions for rehearing of Resolution G-2819 have been filed by Southern California Edison Company and Southern California Utility Power Pool and Imperial Irrigation District. We have carefully considered the allegations contained in the petitions and are of the opinion that rehearing should be denied. The challenges to Resolution G-2819 are directed to the elimination for SoCalGas of a separate priority designation for enhanced oil recovery (EOR) customers. We are already reconsidering this issue in R.88-08-018 which has been consolidated with I.87-03-036. THEREFORE,

IT IS HEREBY ORDERED:

Rehearing of Resolution G-2819 is denied.

This order is effective today.

Dated NOV 23 1988 at San Francisco, California.
