ORDER CORRECTING CLERICAL ERROR

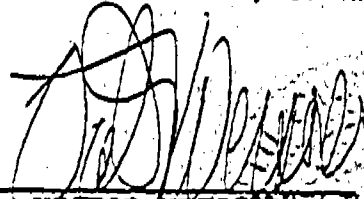

Due to the time constraints in preparing Decision (D.) 88-12-085, rates for new time-of-use Schedules AE-2, R-TOU-3, R-TOU-4, and DR-TOU were not included in Appendix F. These rates were to be mailed later. However, language that indicated these rates would be provided at a later date was inadvertently left off Appendix F.

This decision corrects that error and includes the rates for the TOU schedules listed above. The rates for Schedules AE-2, R-TOU-3, R-TOU-4, and DR-TOU are attached as Appendix A.

IT IS ORDERED that D.88-12-085 is corrected to include the following language in Appendix F on pages 2 and 10: Rates for Schedules AE-2, R-TOU-3, R-TOU-4, and DR-TOU are not available at this time and will be mailed at a later date.

This order is effective today.

Dated FEB 17 1989, at San Francisco, California.

 VICTOR WEISSERT, THAT THIS DECISION
 Executive Director PROVED BY THE ABOVE
 COMMISSIONERS TODAY.
