Application 87-12-001  
(Filed December 1, 1987)

ORIGINAL

OPINION

The application of Lisa Cunningham for a certificate of public convenience and necessity to operate as a highway common carrier under Public Utilities (PU) Code § 1063 was received by the License Section, Transportation Division on September 15, 1987, but not processed because of a protest by Cascade Drayage and Warehousing, Inc. (Cascade).

A formal application was filed in the Commission's Docket Office on December 1, 1987 together with the protest of Cascade.

A public hearing was set for March 30, 1988, but the matter was taken off the calendar when Cascade withdrew its protest on March 25, 1988.

The application being satisfactory except for Cascade's protest allegations, Transportation Division issued the requested highway carrier certificate on August 29, 1988, pursuant to its delegated authority (T-158021).

This application is now moot.

Findings of Fact

1. Applicant was issued highway common carrier authority under PU Code § 1063 by the Commission's Transportation Division on August 29, 1988 (T-158021).
2. This application for the same authority is moot.

Conclusion of Law

The application should be dismissed as moot.
