 of D.88-07-029
 (Filed July 7, 1989)

ORDER MODIFYING DECISION 88-07-029

Decision (D.) 88-07-029 granted Valley Airport Shuttle, Inc. (Valley) interim extended passenger stage corporation authority for one year commencing August 7, 1988, with a proviso in Ordering Paragraph 5 which states that:

"5. Applicant shall file a petition to modify this order and request that the interim authority be made permanent at least 45 days prior to the date this interim authority expires."

The reason for the time limitation in D.88-07-029 is set forth in Finding of Fact 5 and Conclusion of Law 1 as follows:

"5. Applicant has transported passengers to areas outside of its authorized service area on at least 3 occasions, thus raising questions about its fitness, which militate against the grant of permanent authority at this time."

* * *

"1. Public convenience and necessity have been demonstrated and a certificate expanding its passenger stage service area as requested should be granted to Valley for a one-year period."

Valley's petition for modification alleges that it has not been advised by the Commission of any complaints regarding operations conducted pursuant to the interim authority.

Therefore, good cause appearing,

IT IS ORDERED that D.88-07-029 is modified as follows:

1. Finding of Fact 5 is deleted.
2. The words "for a one-year period" are deleted from Conclusion of Law 1.
3. Renumber Paragraph 6 of the original order to read "Paragraph 5."
4. Renumber Paragraph 7 of the original order to read "Paragraph 6."
5. Appendix PSC-1415 is amended by Third Revised Page 3 which cancels Second Revised Page 3.
6. The words "on an interim basis, for 12 months," are deleted from original Ordering Paragraph 1.

This order is effective today.

Dated SEP 27 1989, at San Francisco, California.
