Decision 89 10 016

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of ORANGE COAST
SIGHTSEEING COMPANY, a corporation,
for authority to establish one-way
fares between its Anaheim-Buena
Park Service Area and the Queen
Mary, and to provide minor route
revisions to Tour 12.

Application 60774
(Filed July 28, 1981)

ORDER CLOSING PROCEEDING

Applicant was granted a temporary operating authority under interim Decision (D.) 82-02-096 dated February 17, 1982. The Commission held in a prior proceeding (Application 59818, D.93726 dated November 13, 1981) that sightseeing tour service over a loop was not passenger stage service. D.93726 also held that all operating authorities as sightseeing carriers would be temporary until Commission jurisdiction was resolved by the Supreme Court of the State of California.

The issue was resolved, and no further action has been requested or taken on this proceeding for more than seven years. There are no further issues to consider and this proceeding should be terminated.

IT IS ORDERED that Application 60774 is closed.
This order is effective today.

Dated OCT 12 1989, at San Francisco, California.
