ORDER DENYING APPLICATION FOR  
REHEARING OF D.89-11-032

An Application for Rehearing of D.89-11-032 was filed by California Trucking Association (CTA) on November 12, 1989. This Application for Rehearing objected to the Commission's issuance of an immediate stay of the rate increases ordered by Resolution TS-684.

On October 12, 1989 the Commission granted CTA's request by issuing a stay of the rate decreases ordered by Resolution TS-684 in Decision 89-10-036. Additionally on October 12, 1989 the Commission issued Decision 89-10-039, the Decision on Rate Safety and Subhaul Regulations for General Freight Transportation, preempting Resolution TS-684. On November 3, 1989 the Commission found in D.89-11-032 that unless action is taken to grant an immediate stay of the rate increases ordered in Resolution TS-684, these rate increases will go into effect before Decision 89-10-039 is effective. The Commission then found that such a result will cause confusion to the businesses governed by Resolution TS-684 and Decision 89-10-039. Therefore, the Commission in D.89-11-032 ordered the issuance of an immediate stay of all portions of Resolution TS-684.

We have reviewed each and every allegation in the Application, and are of the opinion that sufficient grounds for granting rehearing have not been shown. Accordingly, the Application for Rehearing is denied.

IT IS ORDERED that:

The Application for Rehearing is denied.

This order is effective today.

Dated JAN 24 1990 at San Francisco, California.
