ORDER EXTENDING TIME

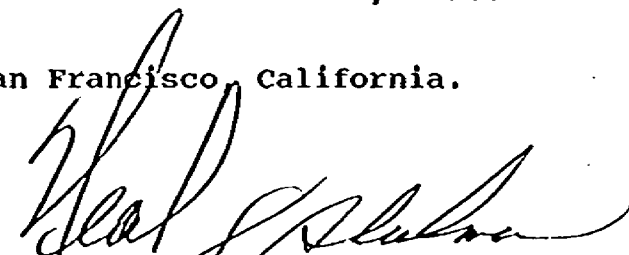

Applicants have filed a Petition for Modification of Decision (D.) 87-10-074 which seeks additional time to comply with some of the terms of that decision.

D.87-10-074 ordered that specified parcels of real property and utility plant be transferred to the acquiring corporate applicant. It appears that applicants have substantially complied with most of the ordering paragraphs and extension of time, is warranted.

Therefore, good cause appearing and pursuant to Rule 43, the time which applicants shall have to comply with Ordering Paragraphs 1 and 3 of D.87-10-074 is extended to December 31, 1990.

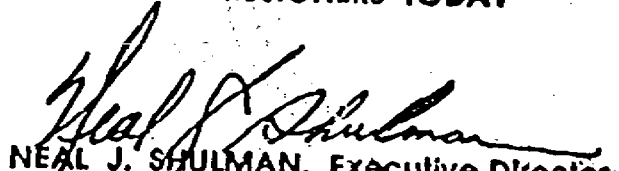

This order is effective today.

Dated MAR 12 1990, at San Francisco, California.
