Case 86-07-023
(Filed July 9, 1986)

ORDER OF DISMISSAL

Complainant filed this pleading to obtain an order requiring defendant to provide data that would help him to prosecute before the Commission a petition for modification of Decision (D.) 84-08-037, also filed July 9, 1986, in Investigation (I.) 84-04-077, et al. The complaint is in the nature of a data request.

Defendant answered and moved to dismiss the complaint, which inspired complainant to file an amendment to the complaint. Defendant filed an answer to the amendment in January, 1987. There has been no further activity in this docket since then.

In June, 1987, in I.84-04-077, et al., the Commission issued D.87-06-010, which, among other things, granted the relief sought by complainant in his July 9, 1986, petition. Accordingly, this complaint is moot; and it should be dismissed.

O R D E R

IT IS ORDERED that the complaint in Case 86-07-023 is dismissed.

This order becomes effective 30 days from today.

Dated MAY 22 1990, at San Francisco, California.
