(Filed March 30, 1989;

filed August 4, 1989)

ORDER MODIFYING DECISION

Applicant Metromedia Long Distance Services, Inc. (Metromedia) petitioned on August 4, 1989 for a modification of D.89-07-071 to provide for the assignment of an identification number for one of the entities involved. It appears that because of similar names, an identification number was not assigned to Metromedia-Delaware. Therefore, good cause appearing,

IT IS ORDERED that Ordering Paragraph 3 of D.89-07-071 is modified as follows:

- "3. Upon consumation of the acquisition of control, Metromedia (Metromedia-Delaware) may continue the use of ITTCSI's Identification Number U-5041-C. Metromedia-Florida shall continue to use Identification Number U-5114-C in the caption of all original filings with the Commission, and in the titles of other pleadings filed in existing cases."

This order is effective today.

Dated MAY 22 1990, at San Francisco, California.
