ORDER EXTENDING TIME

Applicants have filed a Petition for Modification of Decision (D.) 89-06-025, which seeks additional time to effectuate the transfer authorized by that decision.

The petition avers that applicants are still awaiting authorization for the transaction from regulatory commissions in New Jersey, Pennsylvania, and Georgia. It is necessary to have all regulatory approvals before the transaction can take place.

Therefore, good cause appearing, the time in which applicants shall have to consummate the transaction authorized in D.89-06-025 is extended until December 31, 1990.

This order is effective today.

Dated May 22, 1990, at San Francisco, California.
