Application 90-04-011
(Filed April 10, 1990)

O P I N I O N

911 Emergency Services, Inc. (applicant), doing business as Escort Transportation Services, seeks a certificate of public convenience and necessity as a passenger stage for operations between the counties of Stanislaus, San Joaquin, and Merced to and from San Francisco, San Jose, Oakland, Merced, Modesto, Sacramento, and Stockton Airports. The service will be on an "on-call" and reservation basis. Applicant plans to use limousine and van-type vehicles.

Notice of the application appeared in the Commission's Daily Transportation Calendar of April 13, 1990. No protests have been received.

Findings of Fact

1. No public hearing is necessary.
2. Applicant has the ability, equipment, and financial resources to perform the proposed service.
3. Public convenience and necessity require the proposed service.

4. The rates proposed in the application are deemed reasonable.

5. It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

6. No protests have been received.

Conclusions of Law

1. The application should be granted.

2. Since this matter is not controversial, the following order should be effective today.

Only the amount paid to the State for operative rights may be used in rate fixing. The State may grant any number of rights and may cancel or modify the monopoly feature of these rights at any time.

O R D E R

IT IS ORDERED that:

1. A certificate of public convenience and necessity is granted to 911 Emergency Services, Inc., a corporation, authorizing it to operate as a passenger stage corporation, as defined in Public Utilities (PU) Code § 226, between the points and over the routes set forth in Appendix PSC-6284, to transport persons and baggage.

2. Applicant shall:

- a. File a written acceptance of this certificate within 30 days after this order is effective.
- b. Establish the authorized service and file tariffs and timetables within 120 days after this order is effective.
- c. State in its tariffs and timetables when service will start; allow at least 10 days' notice to the Commission; and make

timetables and tariffs effective 10 or more days after this order is effective.

- d. Comply with General Orders Series 101, 104, and 158, and the California Highway Patrol safety rules.
- e. Maintain accounting records in conformity with the Uniform System of Accounts.
- f. Remit to the Commission the Transportation Reimbursement Fee required by PU Code § 403 when notified by mail to do so.

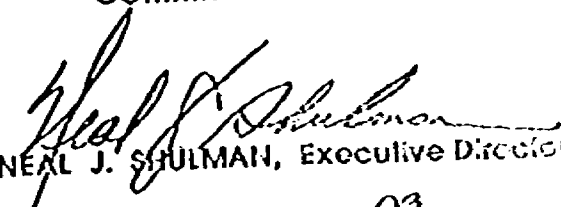

3. Before beginning service to any airport, applicant shall notify the airport's governing body. Applicant shall not operate into or on airport property unless such operations are also authorized by the airport's governing body.

4. Applicant is authorized to begin operations on the date that the Executive Director mails a notice to applicant that its evidence of insurance is on file with the Commission and that the California Highway Patrol has approved the use of applicant's vehicles for service.

5. The application is granted as set forth above.
This order is effective today.

Dated JUL 6 1990, at San Francisco, California.
