

Decision 90 07 047 JUL 18 1990

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Ellen M. Clark,  
 Complainant,  
 vs.  
 River Grove Water Company,  
 Defendant.

**ORIGINAL**

Case 88-09-044  
(Filed September 22, 1988)

O P I N I O N

This complaint was filed by Ellen Clark against Ronald and Kim Gehrman, operators of a public utility water company in Felton doing business as River Grove Water Company. The complaint requested waiver of a water hookup fee which had been assessed by the Gehrmanns.

By Decision (D.) 90-01-035 dated January 24, 1990 in Case (C.) 89-02-005, we revoked the certificate of public convenience and necessity held by the Gehrmanns, because the former operators of the utility had abandoned the system. The complaint in C.89-02-005 had been filed by nine customers of the Gehrmanns, one of them being Ellen Clark. The former customers had formed an association and intended to form a mutual water company. In the circumstances, this complaint of Ellen Clark should be discontinued.

Findings of Fact

1. Ellen Clark's complaint against Ronald and Kim Gehrman requests waiver of a hookup fee.
2. Ellen Clark is a member of an association that filed a complaint against the Gehrmanns in C.89-02-005, alleging abandonment of the system.

3. By D.90-01-035 the Commission revoked the certificate of public convenience and necessity held by the Gehrmanns.

Conclusion of Law

C.88-09-044 should be dismissed as moot.
