

Decision 90 10 057 OCT 24 1990

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation  
for the purpose of considering and  
determining minimum rates for the  
transportation of rock, sand, gravel  
and related items in bulk, in dump  
truck equipment in Southern  
California as provided in Minimum  
Rate Tariff 17-A and Southern  
California Production Area and  
Delivery Zone Directory I, and the  
revisions or reissues thereof.

**ORIGINAL**

Case 9819  
Petition of Modification 118  
(Filed February 15, 1990)

O P I N I O N

All American Asphalt (Petitioner) has filed to request a modification of Minimum Rate Tariff 17-A (MRT 17-A).

Petitioner is a California corporation in the business of producing, marketing, and distributing rock, sand, and asphaltic concrete products using independent carriers, out of its facility located in existing Production Area 33-R at 14274 Magnolia Avenue in Corona, Riverside County, to various points in Los Angeles, Orange, Riverside, and San Bernardino Counties. A copy of its Articles of Incorporation is attached to the original petition in this proceeding, in compliance with Rule No. 16 of the Commission's Rules of Practice and Procedure.

Zone delivery rates are not now available from Petitioner's production facility to Delivery Zones 33201 to 33214 inclusive in Riverside County. Petitioner alleges that establishing those zone delivery rates will enable petitioner to compete with other producers who already charge the rates.

A copy of the application was served on the California Dump Truck Owners Association, Associated Independent Owner Operators, Inc., California Carriers Association, California Asphalt Pavement Association, Southern California Rock Products

Association, and Department of Transportation of the State of California. The filing of the application was noted in the Commission's Daily Transportation Calendar of March 3, 1990. There have been no protests or requests for hearing.

The Transportation Division has recommended that the petition be granted.

Findings of Fact

1. Petitioner produces and sells rock, sand, and asphaltic concrete products out of its facility in Riverside County.

Independent carriers haul the products to various points in Los Angeles, Orange, Riverside, and San Bernardino Counties.

2. Petitioner is applying to establish zone rates on Item 60 and Item 65 commodities from its production area to Delivery Zones 33201 to 33214 inclusive in Riverside County.

3. Petitioner is now operating with difficulty since its competitors are authorized to charge zone rates.

4. The rates adopted in the following order will result in just, reasonable, and nondiscriminatory minimum rates for the transportation involved.

5. A public hearing is not necessary.

Conclusion of Law

MRT 17-A should be amended to extend zone rates from Petitioner's production area to Zones 33201 to 33214 inclusive in Riverside County.

O R D E R

IT IS ORDERED that:

1. Minimum Rate Tariff 17-A (MRT 17-A) (Appendix C to Decision (D.) 80578, as amended) is further amended by incorporating the revised pages shown in Appendix A, to become effective 30 days from today.

2. In all other respects, D.80576, as amended, shall remain in full force and effect.

3. The Executive Director shall serve a copy of this decision on each subscriber to MRT 17-A.

4. The petition is granted as set forth above.

This order is effective today.

Dated OCT 24 1990, at San Francisco, California.

G. MITCHELL WILK  
President  
FREDERICK R. DUDA  
STANLEY W. HULLETT  
PATRICIA M. ECKERT  
Commissioners

Commissioner John B. Chanian,  
being necessarily absent, did  
not participate.

I CERTIFY THAT THIS DECISION  
WAS APPROVED BY THE ABOVE  
COMMISSIONERS TODAY

  
NEIL J. SHULMAN, Executive Director
