

Decision 90 11 012 NOV 09 1990

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation)
for the purpose of considering and)
determining minimum rates for)
transportation of rock, sand, gravel,)
and related items in bulk, in dump)
truck equipment in Southern California)
as provided in Minimum Rate Tariff 17-A)
and Southern California Production)
Area and Delivery Zone Directory 1,)
and the revisions or reissues thereof.)

ORIGINAL

Case 9819
Petition for Modification 117
(Filed December 18, 1989)

O P I N I O N

Blue Star Ready Mix, Inc. (petitioner) filed a request for modification of Minimum Rate Tariff 17-A (MRT 17-A).

Petitioner is a California corporation in the business of producing, marketing, and distributing rock, sand, and gravel products by independent carriers, out of its facility located in existing Production Area 56-L, in Moorpark, Ventura County, to various areas in Los Angeles, Orange, and Santa Barbara Counties. A copy of its Articles of Incorporation is attached to the original petition in this proceeding, in compliance with Rule No. 16 of the Commission's Rules of Practice and Procedure.

Zone delivery rates for Item 60 commodities are presently established in MRT 17-A from Production Area 56-L to delivery zones in Ventura County and to limited delivery zones in Los Angeles and Santa Barbara Counties. Petitioner desires to have zone rates for Item 60 commodities established from Production Area 56-L to those delivery zones of Los Angeles County not currently listed in MRT 17-A, to all delivery zones of Orange County, and to delivery Zones 42036 to 42041 inclusive and 42054 to 42065 inclusive in Santa Barbara County.

Petitioner states that it desires to be able to use zone rates to the expanded marketing area it now serves, and to which it seeks zone rates.

A copy of the application was served on the California Dump Truck Owners Association, Associated Independent Owner Operators, Inc., California Carriers Association, California Asphalt Plant Association, Department of Transportation of the State of California, and Southern California Rock Products Association. The filing of the application was noted in the Commission's Daily Transportation Calendar of December 28, 1989. There have been no protests or requests for hearing.

The Transportation Division recommends that the petition be granted.

Findings of Fact

1. Petitioner produces and sells rock, sand, and gravel out of its facility in Ventura County. Independent carriers haul the products to various points in Ventura, Los Angeles, Orange, and Santa Barbara Counties.

2. Petitioner is applying to establish zone rates on Item 60 commodities from its production area to those zones in Los Angeles County not currently listed in MRT 17-A, to all zones in Orange County, and to Zones 42036 to 42041 inclusive and 42054 to 42065 inclusive in Santa Barbara County.

3. Petitioner has expanded its marketing area to those additional areas for which it seeks zone rates.

4. The rates adopted in the following order will result in just, reasonable, and nondiscriminatory minimum rates for the transportation involved.

5. A public hearing is not necessary.

Conclusion of Law

MRT 17-A should be amended to extend zone rates from petitioner's production area to those zones in Los Angeles County not currently listed in MRT 17-A, to all zones in Orange County,

and to Zones 42036 to 42041 inclusive and 42054 to 42065 inclusive in Santa Barbara County.

ORDER

IT IS ORDERED that:

1. Minimum Rate Tariff 17-A (MRT 17-A) (Appendix C to Decision (D.) 80578, as amended) is further amended by incorporating Twelfth Revised Page 9-K, Twelfth Revised Page 9-L, and Original Pages 9-L-1 and 9-L-2, attached, to become effective 30 days from today.

2. In all other respects, D.80578, as amended, shall remain in full force and effect.

3. The Executive Director shall serve a copy of this decision on each subscriber to MRT 17-A.

4. The petition is granted as set forth above.

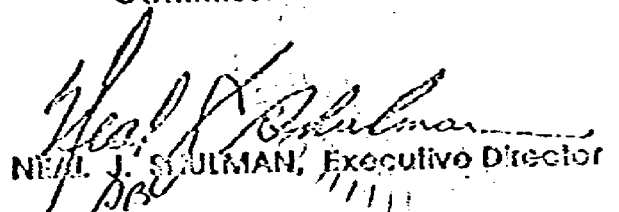

This order is effective today.

Dated NOV 08 1990, at San Francisco, California.
