(Filed October 12, 1990)

ORDER STAYING RESOLUTION T-14094

PACIFIC BELL (Pacific) has filed an application for rehearing of Resolution T-14094, which resolved Pacific's Advice Letter No. 15719 as entitled above.

We are aware of the important interests presented in this matter and are inclined to proceed in evaluating Pacific's application and the response of our Division of Ratepayer Advocates carefully and deliberately. Therefore, we do not give a final answer at this time. However, Ordering Paragraphs 1 and 2 of Resolution T-14094 ordered Pacific to complete certain tasks in early December, which is upon us now. Section 1735 of the California Public Utilities Code provides that an application for rehearing shall not excuse compliance with a Commission order, except as we direct by order.

Therefore,

IT IS ORDERED that Ordering Paragraphs 1 and 2 of Resolution T-14094 are hereby stayed pending our final decision on the application for rehearing.

This order is effective today.

Dated December 6, 1990, at San Francisco, California.
