BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the City of El Segundo for an order authorizing construction of a new crossing at-grade between Douglas Street and the track of the Atchison, Topeka & Santa Fe Railway Company, PUC 2H-15.0, and for closing an existing grade crossing at 118th Street, PUC 2H-13.4.

(Filed February 3,  
amended June 5, 1989)

ORDER CORRECTING MINISTERIAL ERROR

On November 9, 1990, in Decision (D.) 90-11-035, the Commission denied the application of The City of El Segundo for rehearing of D.90-08-005. However, in denying rehearing, D.90-11-035 incorrectly referred to the decision appealed from as "D.90-02-016." This order will correct that error. Under Resolution A-4661,

IT IS ORDERED that:

1. The first sentence of D.90-11-035 is amended to read: "The City of El Segundo has applied for rehearing of Decision No. 90-08-005."
2. The second paragraph of D.90-11-035 is amended to read: "IT IS ORDERED that rehearing of Decision No. 90-08-005 is denied."

This order is effective today.

Dated JAN 29 1991, 1991, at San Francisco, California.
