ORDER DENYING REHEARING OF D.90-12-005

An Application for Rehearing of D.90-12-005 has been filed by Ground Systems, Inc. This Application for Rehearing asserts that Roberts Holiday Line, Inc. failed to meet its burden of proving public need and necessity required before the granting of a certificate of public convenience and necessity. All grounds for rehearing have been considered and it appears that good cause for rehearing is not present. Ground System's Application for Rehearing should be denied.

IT IS ORDERED that:

Ground System's Application for Rehearing is denied for failure to cite legal error.

This order is effective today.

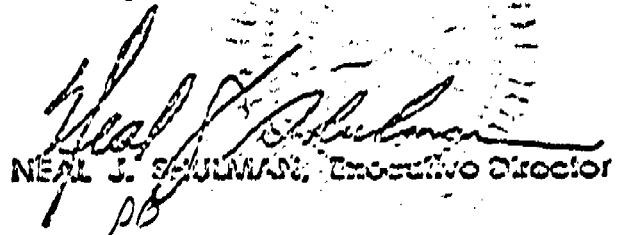

Dated February 21, 1991, at San Francisco, California.
