Case No. 88-01-025
(Filed January 21, 1988)

ORDER DENYING REHEARING AND MODIFYING D.90-12-013

SAMUEL J. CRAGLE (Cragle) has filed an application for rehearing of Decision (D.) 90-12-013. We have considered all the allegations of error in the application and are of the opinion that good cause for rehearing has not been shown. However, in considering his application, we have found a ministerial error in our decision which we wish now to correct.

In D.90-12-013, we ordered PG&E to rebill Cragle for unregistered energy estimated to have benefited him in the two years between March 1985 and March 1987, rather than the three years which PG&E included in its original backbill. In the decision, we identified the amount as \$3,206.85 on p. 12, but as \$3,199.02 in the Conclusion of Law on p. 13. The latter is the correct figure, representing the total of the figures from April 1985 through March 1987, as listed in Table 3 on page 9 of D.90-12-013.
