OPINION

Capitol Airport Express, a corporation with headquarters in Sacramento, seeks authority under Public Utilities (PU) Code § 1031 et seg. to operate on-call transportation service between Sacramento County, West Sacramento in Yolo County, and Sacramento Metropolitan Airport.

Applicant will serve the Greater Sacramento, West Sacramento, and Folsom area, as shown in Exhibit D of the application. The proposed service area is described as follows:

From the intersection of its prolongation with the Sacramento River, east on Elk Grove Boulevard, north on Grant Line Road, White Rock Road, Sacramento County Line, west on Sacramento County Line, south on Watt Avenue, west on Elverta Road, south on East Drainage Canal, south on Interstate 80, south on Enterprise Boulevard, east on Sacramento River deep water channel, south on Sacramento River to the prolongation of Elk Grove Boulevard.

Applicant plans to purchase a seven-passenger Ford van, and will lease another passenger van from a rental company in the event of a breakdown.

Applicant proposes one-way fares ranging from \$8 to \$23, with children under 10 years of age charged half fare, as shown in

Applicant had a net worth of approximately \$62,000 as of February 27, 1991, according to the balance sheet attached to the application as Exhibit C.

Applicant alleges a growing need for the proposed service, considering the anticipated growth to the year 2000 in the Sacramento region. The Transportation Division recommends that the application be granted by ex parte order.

Findings of Pact

- 1. Applicant served a copy of the application by mail upon each public transit operator operating in the territory applicant seeks to serve.
- 2. Notice of filing of the application appeared in the Commission's Daily Transportation Calendar on March 14, 1991.
 - 3. No protests have been filed.
- 4. No protest to the application has been received from any public transit operator serving the territory applicant proposes to serve.
- 5. Applicant has the financial resources to perform the proposed services.
- 6. It can be seen with certainty that there is no possibility that the proposed service will have a significant adverse impact on the environment.
- 7. A public hearing is not necessary.

 Conclusion of Law

Public convenience and necessity have been shown, and applicant should be granted a certificate.

Only the amount paid to the State for operative rights may be used in rate fixing. The State may grant any number of these rights and may cancel or modify the monopoly feature of these rights at any time.

SECTION I. GENERAL AUTHORIZATIONS, RESTRICTIONS, LIMITATIONS, AND SPECIFICATIONS.

Capitol Airport Express, a corporation, by the certificate of public convenience and necessity granted by the decision noted in the margin, is authorized to transport passengers and their baggage on an "on-call" basis, between the points described in Section II, and Sacramento Metropolitan Airport (SMA), over and along the route described in Section III, subject, however, to the authority of this Commission to change or modify the route at any time and subject to the following provisions:

- a. When route descriptions are given in one direction, they apply to operation in either direction unless otherwise indicated.
- b. The term "on-call", as used, refers to service which is authorized to be rendered dependent on the demands of passengers. The tariffs and timetables shall show the conditions under which each authorized on-call service will be rendered.
- c. No passengers shall be transported except those having a point of origin or destination at SMA.
- d. This certificate does not authorize the holder to conduct any operation on the property of or into any airport unless such operation is authorized by the airport authority involved.
