Case 9819
Petition for Modification 134
(Filed February 27, 1991)

OPINION MODIFYING DECISION 91-06-034

By Decision (D.) 91-06-034 dated June 19, 1991 in this proceeding, at the request of Santa Ana River Rock Company, we modified Minimum Rate Tariff (MRT) 17-A by including in Section 6 of the tariff zone rates from Production Area 33-U for Item 60 commodities (rock, sand, and gravel, etc.) to certain established delivery zones. The modifications included the effect on computer-generated rates caused by the addition of a proposed new eastbound tie-in segment from Production Area 33-U to the intersection of Cajalco Road (Ramona Expressway) and I-215 (Computer Map Node 20604).

The petitioner advises that apparently due to inadvertence, the above decision granted only a portion of its petition. The decision established rates from Production Area 33-U only to existing delivery zones affected by the new eastbound tie-in to node 20604. However, the petitioner's intent was that rates be established to all delivery zones in Los Angeles, Orange, Riverside, and San Bernardino Counties. The petitioner is marketing these Item 60 commodities within the named counties, and requests that rates be established in MRT 17-A to all delivery zones in those counties. In the circumstances, D.91-06-034 should

be modified to reflect the petitioner's intent. A public hearing is not necessary.

Findings of Fact

1. D.91-06-034 established rates for the transportation of rock, sand, and gravel in dump truck equipment from Production Area 33-U only to those existing delivery zones which must reflect the new eastbound tie-in to node 20604.

2. The petitioner's intent in this proceeding was that zone rates be established from Production Area 33-U to all delivery zones in Los Angeles, Orange, Riverside, and San Bernardino Counties, and not just those affected by the new eastbound tie-in.

Conclusion of Law

D.91-06-034 should be modified to reflect the petitioner's intent.

O R D E R

IT IS ORDERED that:

1. Minimum Rate Tariff (MRT) 17-A (Appendix C of Decision (D.) 80578, as amended) is further amended by incorporating Third Revised Page 6-U, Third Revised Page 6-U-1, and Original Page 6-U-2, attached, to become effective 20 days after today.

C.9819, Pet. 134 ALJ/LEM/dyk

2. D.91-06-034 is modified as set forth herein. In all other respects, D.80578, as amended, and D.91-06-034 shall remain in full force and effect.

3. The Executive Director shall serve a copy of this decision on each subscriber to MRT 17-A.

This order is effective today.

Dated _____, at San Francisco, California.
