ORDER CORRECTING CLERICAL ERROR

By Decision (D.) 91-09-037, dated September 6, 1991, in Application 91-03-059, the State of California, Department of Transportation (Caltrans), was authorized to widen the existing Fortuna Overhead along US-101 at separated grades over Eureka Southern Railroad Company's (ESR) tracks in Fortuna, Humboldt County.

Through inadvertence, ordering paragraph 3 incorrectly required that Caltrans notify the Commission's Safety Division not more than 309 days in advance of the date when the temporary impaired clearance will be created.

Under Resolution A-4661,

IT IS ORDERED that the third ordering paragraph is amended to read "Caltrans shall notify the Commission's Safety Division and ESR at least 15, but not more than 30 days in advance of the date when the temporary impaired clearance will be created."

In all other respects, D.91-09-037 shall remain in full force and effect.

This order is effective today.

Dated OCT 8 1991, at San Francisco, California.
