(Filed February 3, 1989)

ORDER EXTENDING STAY OF DECISION 91-09-008

Angelo Markoulis, individually and doing business as American Industrial Center (AIC), et al., (Complainants) have filed an application for rehearing of Decision (D.) 91-09-008. This application was filed in time to invoke the automatic stay provisions of Public Utilities Code Section 1733(a). We are currently considering the merits of this application. However, unless we take action today to extend it, the stay of D.91-09-008 will expire before we convene our next meeting. In fairness to applicant, we will extend the stay.

Conclusion of Law

1. Notice of this matter did not appear on the Commission's public agenda; however, an emergency exists as stated above; this justifies our action today under Public Utilities Code Section 306(b).
