ORDER CORRECTING OMISSION

Decision 91-11-043 granted Trans-American Intermodal, Inc., a passenger stage certificate to operate between certain points as specifically set forth in Appendix PSC-4554. Inadvertently, Appendix "PSC-7253" was attached to the decision, instead of PSC-4554. Appendix PSC-4554 should be issued. This order is issued under Resolution A-4661.

IT IS ORDERED that Appendix PSC-7253 of Decision 91-11-057 is replaced by Appendix PSC-4554, as attached.

This order is effective today.

Dated DEC 19 1991, at San Francisco, California.

SECTION 1. GENERAL AUTHORIZATIONS, RESTRICTIONS, LIMITATIONS,
AND SPECIFICATIONS.

This certificate supersedes passenger stage operative authority granted to Trans-American Intermodal, Inc., by D.91-11-043, Appendix PSC-7039.

Trans-American Intermodal, Inc., by the certificate of public convenience and necessity granted by the decision noted in the margin, is authorized to provide on-call, door-to-door, passenger stage services to transport passengers and their baggage between points in Los Angeles, San Bernardino, Riverside and Orange counties, described in Section 2, on the one hand, and Los Angeles International Airport (LAX), Burbank Airport (BUR), Long Beach Airport (LGB), John Wayne Airport (SNA), Ontario Airport (ONT) or Los Angeles/Long Beach Harbors, on the other hand, over and along the routes described in Section 3, subject, however, to the authority of this Commission to change or modify the route at any time and subject to the following provisions:

- (a) This certificate does not authorize the holder to conduct any operations on the property of or into any airport unless such operation is authorized by the airport authority involved.
- (b) When route descriptions are given in one direction, they apply to operations in either direction unless otherwise indicated.
- (c) No passengers shall be transported except those having a point of origin or destination at LAX, BUR, LGB, SNA, ONT or Los Angeles and Long Beach Harbors.
- (d) The term "on-call" as used refers to service which is authorized to be rendered dependent on the demands of passengers. The tariffs shall show the conditions under which each authorized on-call service will be provided, and shall include the description of the boundary of each fare zone, except when a single fare is charged to all points within a single incorporated city.

Issued by California Public Utilities Commission.

Decision 91-12-067, Application 91-05-048.
