 (Petition for Modification 141)  
 filed July 23, 1991)

OPINION

Applicant Paul Hubbs Construction Company produces and ships rock, sand, and gravel products at its facility on Pyrite Road, approximately one mile north of Route 60 in Riverside County. It seeks the establishment of a new production area, designated as PA-33W and of zone rates to all established delivery zones in Riverside, San Bernardino, Los Angeles, and Orange Counties.

Transportation Division staff has recommended that the application be granted ex parte in the absence of protest.

Findings of Fact

1. Notice of the filing of the application appeared in the Daily Calendar on July 26, 1991. No protests have been filed. A hearing is not necessary.

2. The rates proposed will be just, reasonable, and nondiscriminatory.

Conclusions of Law

The application should be granted in full.
