Decision 92 03 008

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of U.S. Osiris Corporation for a
certificate of convenience and
necessity to operate as a reseller
of interLATA telecommunications
services within California.

ORIGINAL

Application 91-01-033
(Filed January 29, 1991)

ORDER WAIVING SERVICE REQUIREMENTS

Applicant has requested waiver of the provision of Rule 18(b) of the Commission's Rules of Practice and Procedure that requires service of this application on "the cities or counties within which service will be rendered in the exercise of the requested certificate." In the circumstances of this application, service on the cities and counties would be burdensome and would serve no purpose. Under Resolution ALJ-162, the requested waiver is granted, effective today.

Dated MAR 06 1992, at San Francisco, California.
