ORDER CORRECTING ERROR

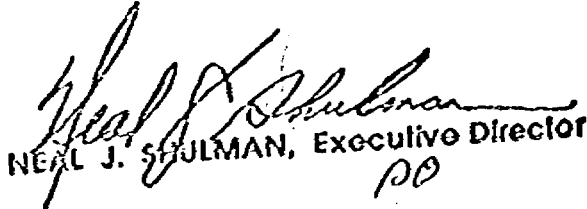

The Commission has identified an inconsistency in the terminology used in Decision (D.) 91-12-076, which resolved Phase 1 issues in the test year 1992 general rate case of Southern California Edison Company. This order is necessary to correct that error and to make the decision text consistent with conventional usage. The order will not revise authorized revenue requirement or customer rates that depend on D.91-12-076.

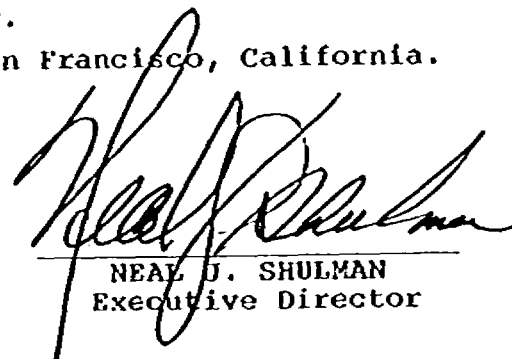

Therefore, pursuant to the authority granted in Resolution A-4661, IT IS ORDERED that the word "pre-tax" in the ninth line of the last paragraph on page 160 of D.91-12-076 is revised to read "authorized."

This order is effective today.

Dated MAY 26 1992, at San Francisco, California.

I CERTIFY THAT THIS DECISION  
WAS APPROVED BY THE ABOVE  
COMMISSIONERS TODAY
