Decision

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation for the purpose of considering and determining minimum rates for the transportation of rock, sand, gravel and related items in bulk, in dump truck equipment in Southern California as provided in Minimum Rate Tariff 17-A and Southern California Production Area and Delivery Zone Directory 1, and the revisions and reissues thereof.

Case 9819  
Petition for Modification 144  
(Filed October 4, 1991)

ORDER CORRECTING ERRORS IN DECISION 92-05-042

On May 20, 1992, the Commission issued Decision (D.) 92-05-042 which amended Minimum Rate Tariff (MRT) 17-A to extend zone rates from a new production facility to all zones in Los Angeles, Orange, Riverside, and San Bernardino Counties. D.92-05-042 also amended Southern California Production Area and Delivery Zone Directory 1 (Directory 1) to accommodate the new production facility.

The Commission has since discovered that the ordering paragraph as well as the pages amending Directory 1 were inadvertently omitted from D.92-05-042. Accordingly, we will add Ordering Paragraph 1A and the pages amending Directory 1 to D.92-05-042.

Under Resolution A-4661,

IT IS ORDERED that Ordering Paragraph 1A shall be added to Decision 92-05-042 to read as follows:

1A. Southern California Production Area and Delivery Zone 1, Appendix C to Decision 80578, as amended, is further amended by incorporating pages 185, 185.1, and 186, attached, to become effective on the effective date of D.92-05-042.

This order is effective today.

I CERTIFY THAT THIS DECISION WAS APPROVED BY THE ABOVE COMMISSIONERS TODAY

MAY 29 1992
