Application 91-08-034
(Filed August 20, 1991)

ORDER MODIFYING DECISION 92-04-032

Pursuant to Rule 43 of the Rules of Practice and Procedure, the Division of Ratepayer Advocates (DRA) petitions to correct two errors in Decision 92-04-032 issued on April 8, 1992. The decision authorized new rates for the Fontana Water Company Division of San Gabriel Valley Water Company (San Gabriel), and it approved a return on common equity (ROE) of 11.50%. The ROE authorization changed the administrative law judge's proposed decision, which would have authorized an ROE of 11.75%. However, two pages of the decision were not corrected to conform to this change. DRA asks that these corrections be made. San Gabriel states that it has no objection. Accordingly,

IT IS ORDERED that:

1. The petition for modification of Decision (D.) 92-04-032 is granted.
2. D.92-04-032 is modified to change the number 11.75% to 11.50% in Finding of Fact 21 on page 37 of the decision.

3. D.92-04-032 is modified to change the number 11.75% to 11.50% in Conclusion of Law 1 on page 39 of the decision.

4. This proceeding is closed.

This order is effective today.

Dated July 1, 1992, at San Francisco, California.
