Decision 92-07-046 July 22, 1992

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application)
of Santa Paula Water Works, Ltd.)
(U 320 W) for Authority to Increase)
Rates as authorized by NOI)
91-01-047.)

ORIGINAL
Application 91-03-026
(Petition for Modification
filed April 15, 1992)

OPINION ON MODIFICATION

In Decision (D.) 92-04-031 in this application, the Commission granted Santa Paula Water Works, Ltd. (Santa Paula) authority to impose a one time surcharge for a 12-month period in the amount of \$0.049 per hundred cubic feet (Ccf).¹ However, the provision for the surcharge was not included in the tariff pages attached to the decision.

Santa Paula called the Commission's attention to this omission by a Petition for Modification filed April 15, 1992.

Findings of Fact

1. The surcharge provision was inadvertently omitted from the tariff pages attached to D.92-04-031.
2. The omission should be corrected. Santa Paula should be authorized to collect the authorized surcharge for a full 12-month period.
3. Because this order corrects an error, it should be effective today.

Conclusion of Law

The Petition for Modification should be granted.

1 This was in addition to a general rate increase.
